Dear Mr. DelNero;

As a follow-up to the letter from me to you dated August 12, 2016 and filed in the above-captioned dockets, I provide the following additional information.

Home Telephone ILEC, LLC (“Home Telecom”) has notified the single customer for its Digital Subscriber Line Service (“DSL”) by intra-corporate memo that it will be discontinuing the offering of its broadband Internet transmission service as a separate component of its broadband Internet transmission service.

Home Telecom has sent a copy of its August 12, 2016 notice to the Special Assistant for Telecommunications of the Department of Defense, the Governor of South Carolina and the Public Service Commission of South Carolina.

Please let me know if you have any questions.

Sincerely,

/s/ Gregory J. Vogt
